

SIBS Club

A Program for Families of Children with Autism

Interested in AUTISM?

- Enroll in **Psych 372 Practicum:** Intervention for children with autism and their families, for the **Spring 2020** semester!
- Learn how to implement and develop behavior analytic instruction for children with autism and their siblings.
- Class will be held on
Sundays
9am to 12pm

What Is Psych 372?

Course breaks down into two parts:

1. *About 4-5 weeks of ABA instructional training.*
2. *10 weeks of hands on experience working with a child through play.*
